

Michael Leahy's Bio and Contact Information

Michael Leahy is a nationally recognized author, speaker, recovering sex addict, and expert on the subjects of pornography, sexual addiction, and the sexualization of the culture. He's published five books and been featured on ABC's 20/20, Good Morning America, The View, CNN, CNBC, in The Wall Street Journal, USA Today, and numerous local TV news and print media.

Michael is the founder and CEO of BraveHearts, a non-profit organization fighting to end consumer demand for the “products” of sexual exploitation, including pornography, prostitution and sex trafficking. Michael has spoken to over 150,000 college students on 200+ campuses throughout the world in his critically acclaimed “Porn Nation” event, and battles it out with porn industry legend Ron Jeremy in a popular college debate series.
